You created a whole new living space in balance with the existing house and property. It really is paradise. The project was completed in a timely manner. Any time there was a challenge, it was rectified and resolved swiftly and to my satisfaction. The price was very fair and the materials used were excellent quality. The new structure is well built. ALL STAR CHILDREN'S FOUNDATION

OUR MISSION

The mission of the All Star Children's Foundation is to create a safe place for children to heal from the trauma of child abuse.

OUR VISION

Due to abuse or neglect, vulnerable children are removed from their homes and become part of the foster care system. The traumas these children experience, left untreated, can have a lifetime impact. In collaboration with John's Hopkins All Children's Hospital, The All Star Children's Foundation will provide evidence based therapies to heal this trauma, work with the families of these children and provide the opportunity for these most vulnerable children to lead productive and fulfilling lives. The Johns Hopkins All Children's Hospital collaboration with All Star also includes extensive research that will form the basis a of creating treatment models that can be replicated throughout our state and the nation. To accomplish all of this, All Star is building a state-of-the-art 5 acre campus, which will include 6 residential licensed foster homes, a clinical building for treatment programs, a clubhouse, a boutique for children's clothing, a garden and a playground.

JOIN US, YOU CAN HELP CHANGE THE LIFE OF A CHILD

The All Star Children's Foundation Campus will be a refuge for children – a place where healing occurs, hope is restored and spirits are renewed. There are many ways in which you can become involved with the All Star Children's Foundation. Some generously write a check. Others may become a volunteer and help with client services, marketing, fundraising, a special event, administrative needs, or any of the many other daily tasks that need performed. No matter what your interest, skill, or experience – there is a place on the All Star team for you.
